*Al-Anon is a worldwide organization that offers a program of recovery for the families and friends of alcoholics whether or not the alcoholic seeks help or even recognizes the existence of a drinking problem. Alcoholism is a family disease. Living with the effects of someone else's drinking is too devastating for most people to bear without help. Al-Anon and Alateen (for teenagers who have been affected by someone else's drinking) is a self-help, nonprofessional non-affiliated fellowship in over 104 countries, that has been in existence since 1951.*
