CALLING FOR ALL INFORMED GROUP CONSCIENCES!

The Convention/Area Relationship Task Force, formed by a vote at the 2016 Fall Assembly, is charged with:

- examining the relationship between the Convention and the Area
- reporting on their findings
- making recommendations to the Assembly

Note: the Task Force is distinct from the Convention Committee, which carries out the Convention planning and events.

At 2017 Fall Assembly, motions passed included “Adoption of WSO Convention Guidelines (G-20), noting issues unique to Vermont will be defined by future work of the Task Force for approval by Area 56 Assembly at a later date.”

On behalf of the Convention/Area Relationship Task Force I am sending you (2) documents that detail the motion proposed by the Task Force for discussion and vote at our upcoming 2018 Spring Assembly on May 19, 2018 from 9 am to 3:30 pm at Green Mountain Gospel Chapel, 106 Hebard Hill Rd., Randolph. Please distribute and discuss in your groups to bring your informed group conscience to 2018 Spring Assembly!

During the weeks leading up to Spring Assembly, Task Force members are available to support discussions of the motions. Contact the Task Force here: taskforce@vermontalanonateen.org

The Task Force looks forward to presenting these motions and discussing them at the Spring Assembly.
HOPE TO SEE YOU THERE!!

Love in service,
Christa
